

# MacPherson Communication Clinic Presents...

Group Therapy Programs for:

# COMMUNICATION

Because You Should Be Part Of The  
Conversation, Not Outside Of It!

Enjoy being a part of a small group of people (4-8) with similar abilities. We offer a relaxed, enjoyable atmosphere that maximizes learning and growth.

**Groups led by a Speech-Language Pathologist and/or Communicative Disorders Assistant.**

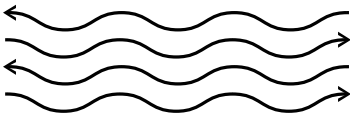

Pre and post screening with individualized goals.

We run three, 12 week courses per year:  
Orillia or Barrie locations, depending on interest.

## Topics to be Covered

- Stop, Think, Act - Learn how to use this strategy to positively communicate with others •
- Improving Word Finding •
- Starting and finishing a conversation •
- Keeping a conversation going and on topic •
- Listening and thinking of something to say •
- Being clear on the telephone •
